Well Living Homes

wahbi

Welcome

W

We aim to be part of a sustainable construction creating environmentally friendly, healthy and ecological spaces.

Therefore, all our materials require minimal energy and water consumption during its production.

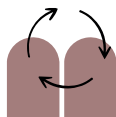

If you have any questions or need personalized attention, do not hesitate to contact us: comunicacion@bewoodville.com

Conceived as a natural, design and flexible dwelling unit, it seeks to ease contact with nature in a simple and pure way.

Its characteristic versatility allows units to be bonded to one another with endless possibilities, and to align to the environment in which we live with respectful materials.

Flexibility

Combine the two floors and the units to make your home a unique place.

Freedom

Customize your space, wherever and whenever you want.

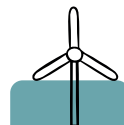

Health

Benefit from the peace and calm of wood: an exceptionally insulating, durable and flexible material.

Design

Live the unique, innovative, and sustainable style of one of the most renowned architects from Spain.

Commitment

Enjoy your home leaving no carbon footprint made with natural and reusable materials.

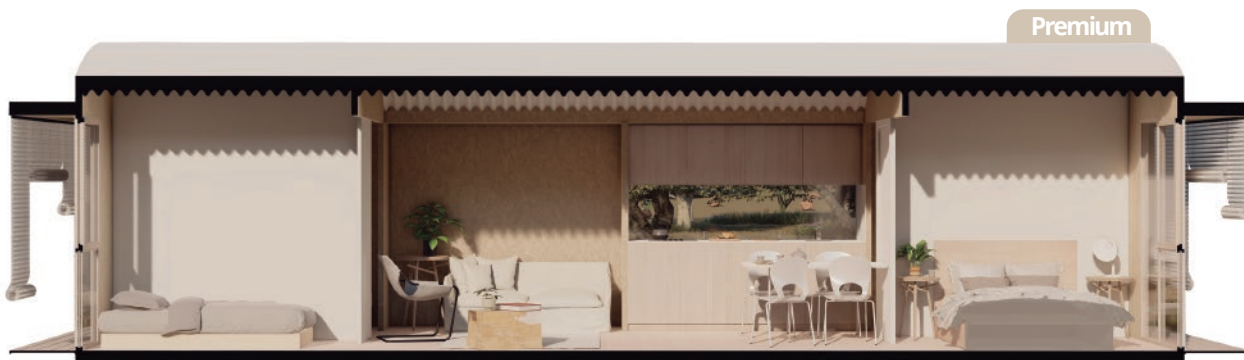

Quality

Appreciate each day the materials carefully chosen to ensure insulation and climate control.

Communities

W

Are you dreaming big?

Us too. We love challenges! wahbi Complex and its infinity of possibilities is designed for communities that seek to share and unwind, making every moment a memory.

Unleash your business and let us get down to work. We already have some ideas up our sleeves.

The design team keeps on developing new retreats in the wild to make your dreams come true.

Write us if you have any ideas and think we can collaborate. You already know that we love challenges!

comunicacion@bewoodville.com

Resort Complex

The luxury of nature. A weekend getaway in nature, but with all the luxuries of a city hotel.

Summer Complex

The luxury of fun. Summer language camps in nature for the little ones in which to explore and learn to take care of what surrounds us.

Veterans Complex

The luxury of having time. A new home of well-being, peace, and happiness for our elders, who have always been there when we needed them most.

Golf Complex

The luxury of a passion. Private shelters next to a golf course where you can focus and unwind, without having to travel.
